Conflict of Interest

I have read the Disclosure of Potential Conflicts of Interests Information Page at Appendix A and declare that I/we do or do not (click one) have a potential conflict of interest in one of the following areas:

1. The work under consideration for publication. During the time the work you have submitted for publication was being created (from time of initial conception and planning to the present) did you or your group at any time receive funding from a third party outside of the same group that pays your salary for any aspect of the submitted work?
 - Are there any relevant conflicts of interest? Yes No
If yes please list sources of funding that may be a potential conflict of interest.
2. Relevant financial activities outside the submitted work. Have you had any relevant financial relationships in the past 36 months with entities in this arena or otherwise that could be perceived to have influenced or that may give the appearance of potentially influencing what you wrote in the submitted work (regardless of amount of compensation)?
 - Are there any relevant conflicts of interest? Yes No
If yes please list financial relationships that may be a potential conflict of interest.
3. Intellectual Property. Do you have any copyrights that are broadly relevant to the work? Yes No.
 - If yes please list them:
4. Relationships not covered above. Are there any other relationships or activities that readers could perceive to have influenced, or that give the appearance of potentially influencing what you wrote in the submitted work? (Click one).
 - Yes, the following relationships / conditions / circumstances are present (explain below):
 - No other relationships / conditions / circumstances that present a potential conflict of interest.

Certifications

I certify that the article as submitted is an honest, accurate and transparent account of the information being reported, that no important aspects have been omitted, and that any discrepancies from the article as planned have been explained.

I certify that the information provided on this form is true, complete, and correct to the best of my knowledge. I understand that failure to disclose or false disclosure is publication misconduct and may result in rejection of the article or a correction of the published article.

The article, as submitted, is currently under consideration by another website.

Yes No

Author Biography

Please provide a brief description of your expertise and background (and any additional authors) to post with your article. A photograph(s) would be a nice extra.
